[NOTE TO PRACTITIONERS - Must provide a copy of any pending U.S. application,  
even if it was previously submitted to or cited by the U.S. Patent Office in an earlier  
application, unless the earlier application is identified herein and is relied upon for an  
earlier filing date under 35 U.S.C. §120, and the copy was provided in the earlier  
application.]

The above-identified application(s)/patent(s) may include technically-related subject matter and/or claims that are similar to this application. The examiner is requested to review the entire file history of the above identified application(s)/patent(s), including cited references, Office Actions, Responses, etc. The examiner is asked to contact the undersigned if the examiner would like the applicant to supply copies of any or all of the information included in any of the above-listed application(s)/patent(s). If the undersigned is not contacted by the examiner with such a request, then the undersigned will assume that the examiner has reviewed or will review the file content of the above-listed application(s)/patent(s).

The Applicant would like to bring to the Examiner's attention the enclosed International Search report from corresponding International Application No. PCT/FR2002/003908.

Remarks

Documents cited anywhere in the Information Disclosure Statement are enclosed unless otherwise indicated. It is respectfully requested that:

1. The Examiner consider completely the cited information, along with any other information, in reaching a determination concerning the patentability of the present claims;
2. The enclosed form PTO-1449 be signed by the Examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application;
3. The citations for the information be printed on any patent which issues from this application.

By submitting this Information Disclosure Statement, the Applicant makes no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

#EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609; Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to Applicant.

\*a copy of this reference is not provided as it was previously cited by or submitted to the office in a prior application, Serial No. \_\_\_, filed \_\_\_, and relied upon for an earlier filing date under 35 U.S.C. 120 (continuation, continuation-in-part, and divisional applications).

[NOTE - The Office hereby waives the requirement under 37 CFR 1.98 (a)(2)(i) for submitting a copy of each cited U.S. patent and each U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003 and for all international applications that have entered the national stage under 35 USC 371 after June 30, 2003. See 37 CFR 1.491(b). For all patent applications filed on or before June 30, 2003, copies of cited U.S. patents and patent application publications are still required unless an eIDS is filed. Copies of all other patent(s), publication(s), or other information listed must still be provided, even if it was previously submitted to, or cited by, the U.S. Patent Office in an earlier application, unless the earlier application is identified by the IDS and is relied upon for an earlier filing date under 35 U.S.C. §120, and the copy was provided in the earlier application.]
